Dear Mr. McAllister:

On behalf of the Cash Handling Committee and the Association of Public Treasurers of the United States and Canada, I would like to congratulate you on the national Certification of your organization's outstanding cash handling training program. Your certification will be formally presented on Monday, August 13th, at the Awards Luncheon during the annual convention of the APT in San Diego (at this point in the letter, I usually ask representatives to attend the luncheon, but I have a feeling you can make it!).

Our team of reviewers had only positive comments to make regarding your training materials. This is uncommon, but no suggestions for improvement were made. Your program is exemplary.

We will look forward to seeing you in August, and we congratulate you and your staff on this honor.

Sincerely,

Anthony Francisco, CPFA, Chair
